CARRY YOUR BAGS WITH EASE

The idea for the Hippo Handle came from watching an elderly lady struggling with her grocery bags.

The Hippo Handle is a molded palm hook with an adjustable supporting wrist strap to carry heavy and awkward bags easily and with little effort. Carry shopping gabs, grocery bags, trade show information bags, any bag with a handle.

This product is marketed as a promotional item for:

- Malls
- Trade Shows
- Super Markets
- Flea Markets
